

THE DIRECTOR OF
CENTRAL INTELLIGENCE

National Intelligence Council

7 Sep 1983

MEMORANDUM FOR: Director of Central Intelligence
FROM : Herbert E. Meyer, Vice Chairman
National Intelligence Council
SUBJECT : Soviet Revenge

1. The Soviets must be itching for an opportunity to shoot down a US reconnaissance aircraft either over Soviet territory or close enough to claim an intrusion.

2. Have we set up a mechanism to assure high-level prior clearance for all such flights? If not, we should. No mission should now be treated as routine.

Herbert E. Meyer
